Maths – Number of the week

This weeks' Maths challenge: Taking away

Imagine your sofa/table is a bus. Place 10 things on the sofa/table and make up a story where the bus travels and stops at different bus stops. Take away 1, 2 or 3 at each stop. How many are still on the bus at each stop? [Here is a simple rhyme:](#)

Here comes the bus, it's going to stop, hurry up people off you pop.

Extension challenge: start off with 20 things/passengers on your bus and take away 1, 2 or 3 as you count down.

Other activities to help taking away: Re-enact rhymes – 10 Green Bottles, 10 currant buns. Prompt your child to say how many are left each time.

Our number of the week is 17 -

Game – what different actions can you do as you count to 17?

Reading

Reading: Aim to hear your child read every day <https://www.oxfordowl.co.uk/> Click on My class login

Our class login is: **Username:** receptionthameside **Password:** ThamesideR

Please remember to record in your reading diary

Here are some story books to read online or to listen to as they are being read to you.

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/>

Sharing other books is equally important, e.g. story books, information books, poems, rhymes.

Understanding the world:

Have you got some eggs? Where do they come from? Can you draw a life cycle of a hen/chicken? Enjoy the non-fiction/information book - From egg to chicken <https://www.youtube.com/watch?v=A9vmPvjSJB4>

Can you remember the potatoes we planted together in March? They have grown. What do you think has made them grow? What do you think we will make after we harvest the potatoes?

Can you draw a picture, label it or write a sentence about your favourite vegetable?

Here is a song about vegetables: <https://www.youtube.com/watch?v=RE5tvaveVak>

Keeping active – Have you tried out sock fest activities? If not here is a link.
